

# 5 & 7 GALLON BEVERAGE FOUNTAIN INSTRUCTIONS

**\*\*Beverage fountains are designed to circulate clear beverages. Use of beverages with pulp, seeds, fruit, rinds, etc. will restrict the flow of beverage and may give unsatisfactory results. Use of ice cream or other foamy punches may also restrict the flow of the beverage.\*\***

**NEVER** OPERATE YOUR FOUNTAIN WITHOUT LIQUID IN THE BOWL. RUNNING THE FOUNTAIN DRY WILL DESTROY THE PUMP SHAFT SEAL AND VOID THE WARRANTY.

**DO NOT** OVERTIGHTEN THE FOUNTAIN HEAD. THIS WILL CAUSE PREMATURE FAILURE OF THE LIQUID FEED CONNECTOR. YOUR FOUNTAIN WILL NOT BE ABLE TO BE OPERATED UNTIL A NEW LIQUID FEED CONNECTOR IS INSTALLED.

**NEVER** USE PLASTIC BAGS FILLED WITH ICE TO COOL YOUR BEVERAGE. THE PLASTIC BAG WILL COVER THE PUMP SCREEN AND BLOCK THE FLOW OF LIQUID TO THE PUMP

**DO NOT** ATTEMPT TO REMOVE THE IMPELLER HOUSING FROM THE FOUNTAIN BOWL. THE FACTORY SEAL WILL BE BROKEN AND YOUR FOUNTAIN WILL LEAK.

**DO NOT** USE STEEL WOOL OR ABRASIVE CLEANERS TO CLEAN YOUR FOUNTAIN. THEY WILL DESTROY THE FINISH

**NEVER PUT YOUR FOUNTAIN IN THE DISHWASHER!!!**

## CLEANING DIRECTIONS

REMOVE ANY LEFTOVER BEVERAGE AS SOON AS POSSIBLE. FILL THE FOUNTAIN BOWL ABOUT HALF WAY WITH HOT WATER TO DISSOLVE ANY DRIED BEVERAGE. RUN THE FOUNTAIN FOR TWO MINUTES. EMPTY THE WATER FROM THE FOUNTAIN

## BEVERAGE PREPARATION HINTS

ALWAYS START WITH A PRE-CHILLED BEVERAGE. BEVERAGES SHOULD NOT BE FROZEN. CHAMPAGNE SHOULD BE CHILLED TO 36-38 DEGREES. TRY TO USE ICE PACKS TO HELP KEEP YOUR BEVERAGE COOL DURING YOUR EVENT. **ICE CUBES OR CRUSHED ICE SHOULD NOT BE USED.** IF YOU MUST USE A FOAMING AGENT, (FROTHER, OR SOMETHING LIKE IT) USE ONE-THIRD (1/3) THE AMOUNT THAT'S CALLED FOR IN THE RECIPE. ALL CARBONATED BEVERAGES WILL GO FLAT IN THE FOUNTAIN IN ABOUT FIFTEEN (15) MINUTES, START WITH HALF THE RECIPE AND ADD THE BALANCE AS YOUR BEVERAGE BEGINS TO GO FLAT. **KEEP MACHINE ¾ FULL AS THE FLOW WILL STOP IF TOO LOW.**

**\*\*Transportation: Please properly secure the machines while transporting them. Machine needs to sit upright (SUV preferred).**

Have a Great Party!

*The Rental Place*

770-594-9000

**\*\*Please notify The Rental Place if there are any issues PRIOR to returning the machine. If the office is closed, please follow the prompts for After-Hours service.**
